

Story 1

Countries Emitting Highest	Total co2 emission from 1975 to 2020	Total Emission from continents	Co2 Emission due to Internal Reasons	Co2 emission due to External reasons	Continents Contribution to due c..	Continents Contribution to due C..	Continents contribution due to G..	C..
----------------------------	--------------------------------------	--------------------------------	--------------------------------------	--------------------------------------	------------------------------------	------------------------------------	------------------------------------	-----

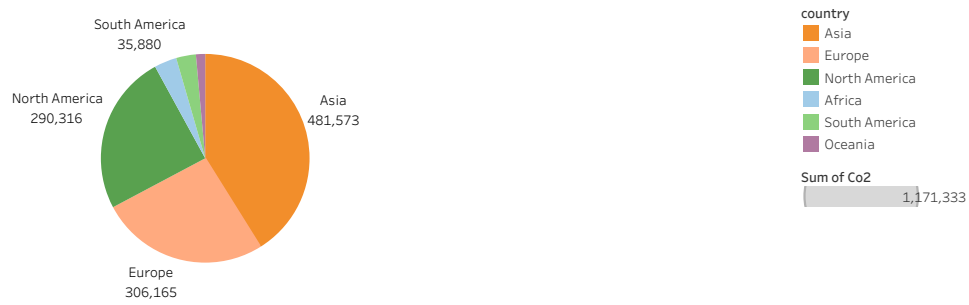

Story 1

Countries Emitting Highest	Total co2 emission from 1975 to 2020	Total Emission from continents	Co2 Emission due to Internal Reasons	Co2 emission due to External reasons	Continents Contribution to due c..	Continents Contribution to due C..	Continents contribution due to G..	C.
----------------------------	--------------------------------------	--------------------------------	--------------------------------------	--------------------------------------	------------------------------------	------------------------------------	------------------------------------	----

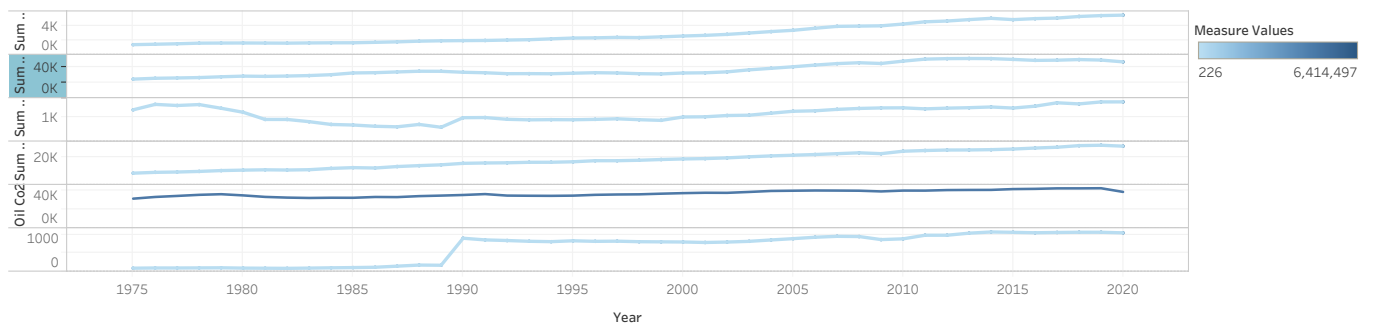

Story 1

Countries Emitting Highest	Total co2 emission from 1975 to 2020	Total Emission from continents	Co2 Emission due to Internal Reasons	Co2 emission due to External reasons	Continents Contribution to due c..	Continents Contribution to due C..	Continents contribution due to G..	C. .
----------------------------	--------------------------------------	--------------------------------	--------------------------------------	--------------------------------------	------------------------------------	------------------------------------	------------------------------------	---------

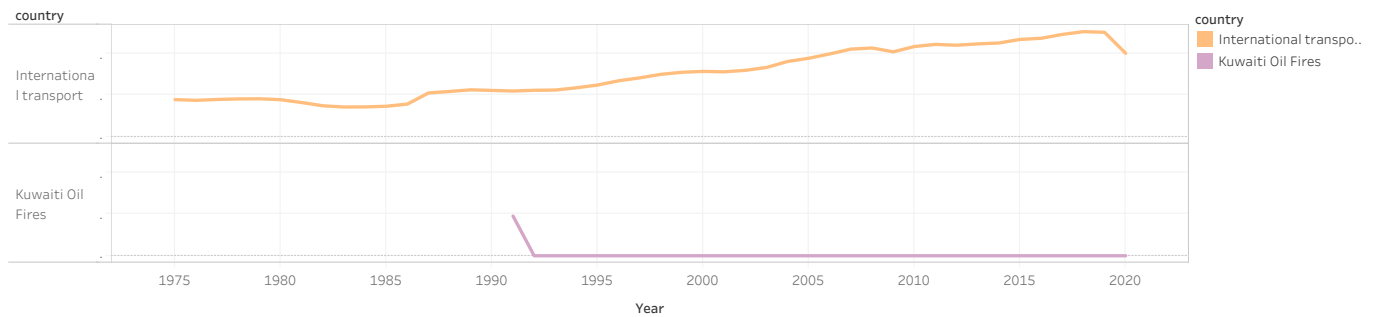

Story 1

Countries Emitting Highest	Total co2 emission from 1975 to 2020	Total Emission from continents	Co2 Emission due to Internal Reasons	Co2 emission due to External reasons	Continents Contribution to due c..	Continents Contribution to due C..	Continents contribution due to G..	C.
----------------------------	--------------------------------------	--------------------------------	--------------------------------------	--------------------------------------	------------------------------------	------------------------------------	------------------------------------	----

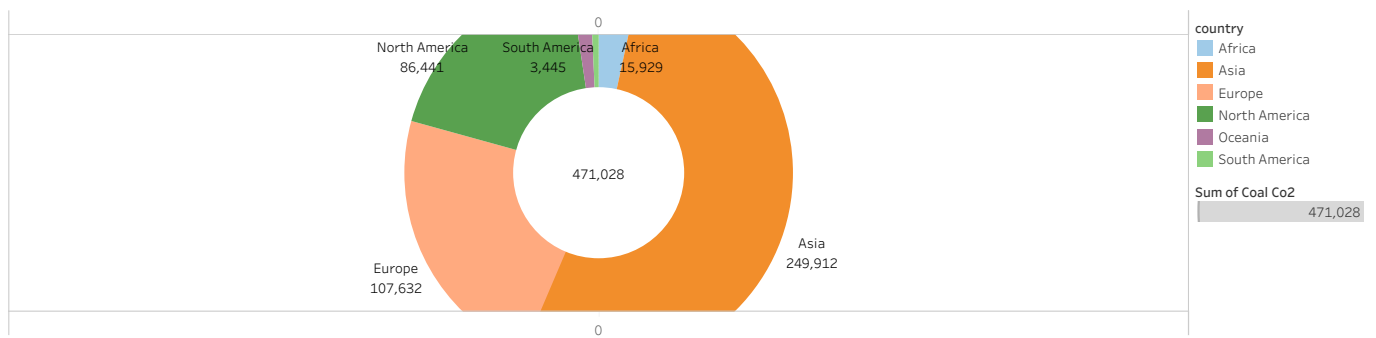

Story 1

Countries Emitting H..	Total co2 emission from 1975 to 2020	Total Emission from continents	Co2 Emission due to Internal Reasons	Co2 emission due to External reasons	Continents Contribution to due c..	Continents Contribution to due C..	Continents contribution due to G..	Continents contribution ..
---------------------------	---	-----------------------------------	---	---	---------------------------------------	---------------------------------------	---------------------------------------	-------------------------------

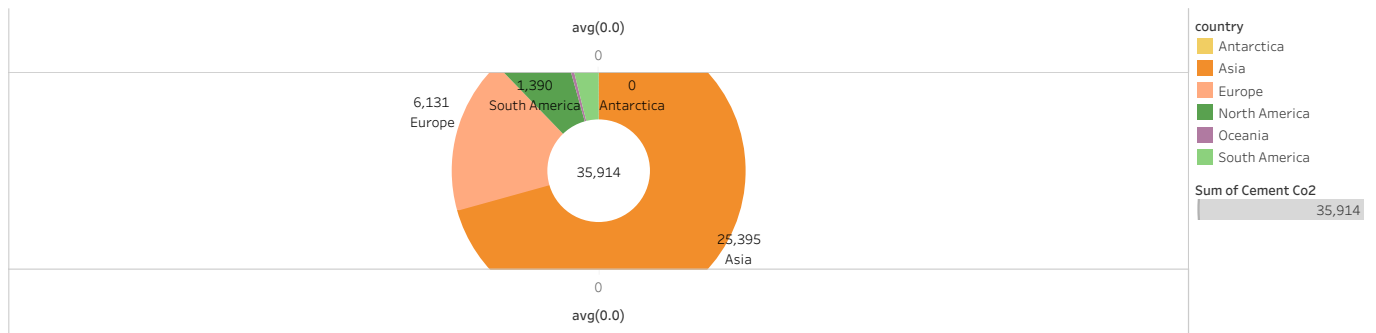

Story 1

Total co2 emission f..	Total Emission from continents	Co2 Emission due to Internal Reasons	Co2 emission due to External reasons	Continents Contribution to due c..	Continents Contribution to due C..	Continents contribution due to G..	Continents contribution due to fl..	Continents contribution ..
------------------------	--------------------------------	--------------------------------------	--------------------------------------	------------------------------------	------------------------------------	------------------------------------	-------------------------------------	----------------------------

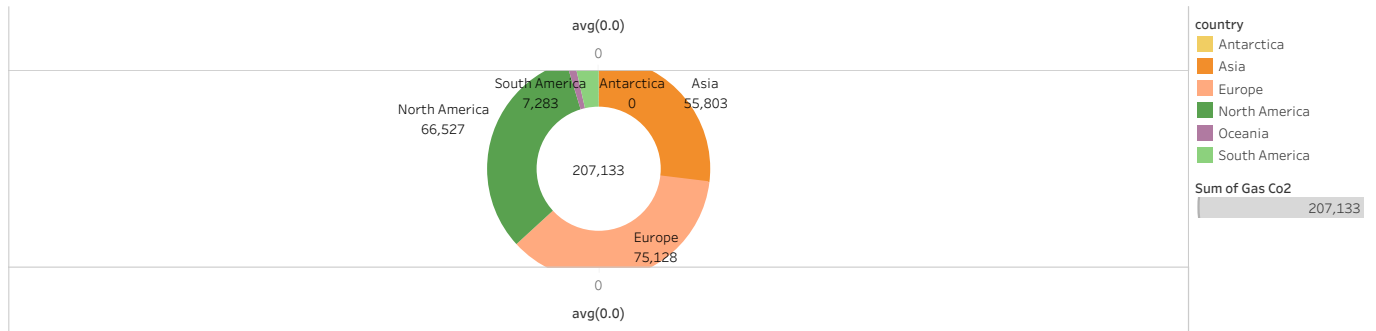

Story 1

Total Emission f..	Co2 Emission due to Internal Reasons	Co2 emission due to External reasons	Continents Contribution to due c...	Continents Contribution to due C..	Continents contribution due to G..	Continents contribution due to fl..	Continents contribution due to O..	co2 emission over past 10 ..
--------------------	--------------------------------------	--------------------------------------	-------------------------------------	------------------------------------	------------------------------------	-------------------------------------	------------------------------------	------------------------------

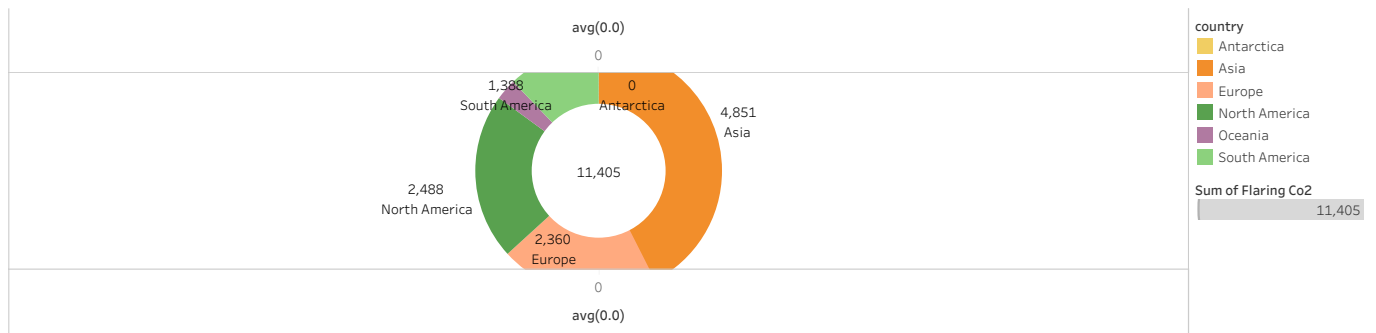

Story 1

Co2 Emission d..	Co2 emission due to External reasons	Continents Contribution to due c..	Continents Contribution to due C..	Continents contribution due to G..	Continents contribution due to fl..	Continents contribution due to O..	co2 emission over past 10 years	Co2 emission India vs Unite..
---------------------	---	---------------------------------------	---------------------------------------	---------------------------------------	--	---------------------------------------	------------------------------------	----------------------------------

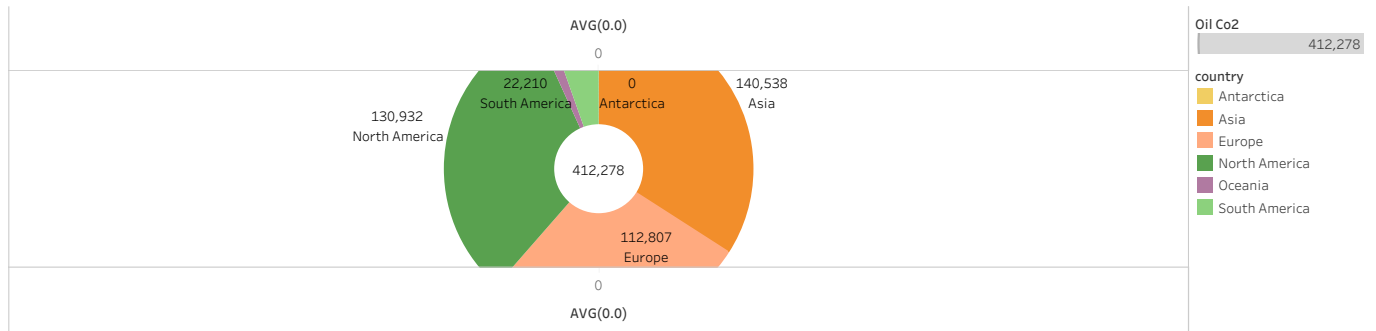

Story 1

Co2 emission d..	Continents Contribution to due c..	Continents Contribution to due C..	Continents contribution due to G..	Continents contribution due to fl..	Continents contribution due to O..	co2 emission over past 10 years	Co2 emission India vs United states	overall contribution ..
---------------------	---------------------------------------	---------------------------------------	---------------------------------------	--	---------------------------------------	------------------------------------	--	----------------------------

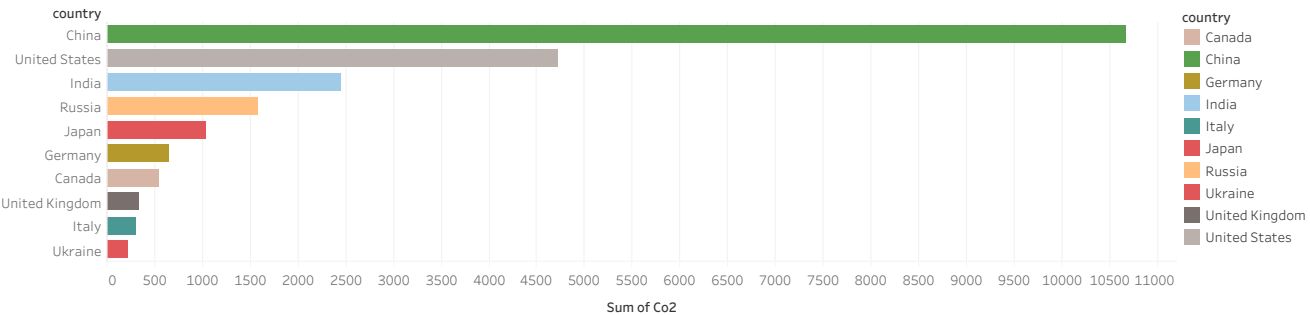

Story 1

Continents Contributi..	Continents Contribution to due C..	Continents contribution due to G..	Continents contribution due to fl..	Continents contribution due to O..	co2 emission over past 10 years	Co2 emission India vs United states	overall contribution by India and China Co2 e..	Cummalative Co2 and Co2 ..
----------------------------	---------------------------------------	---------------------------------------	--	---------------------------------------	------------------------------------	--	--	-------------------------------

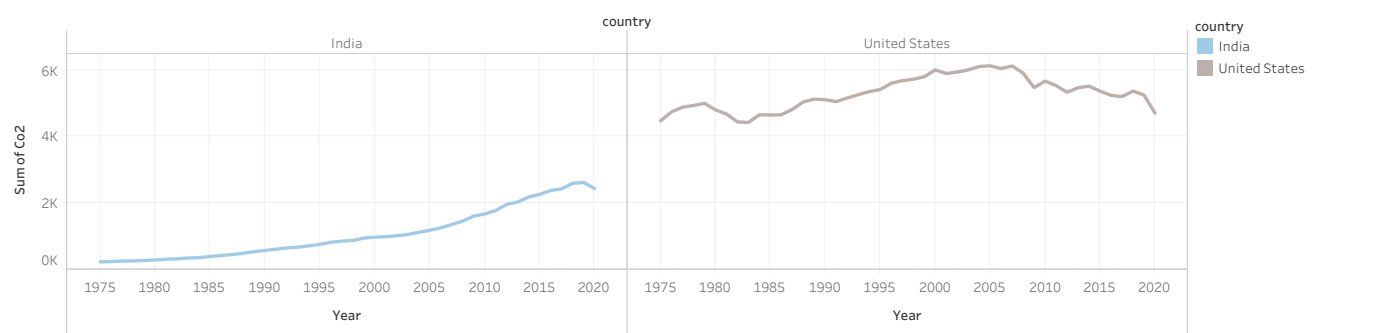

Story 1

Continents Contributi..	Continents contribution due to G..	Continents contribution due to fl..	Continents contribution due to O..	co2 emission over past 10 years	Co2 emission India vs United states	overall contribution by India and China Co2 e..	Cummalative Co2 and Co2 per capita over y..	Co2 Emission in 2020
----------------------------	---------------------------------------	--	---------------------------------------	------------------------------------	--	--	--	-------------------------

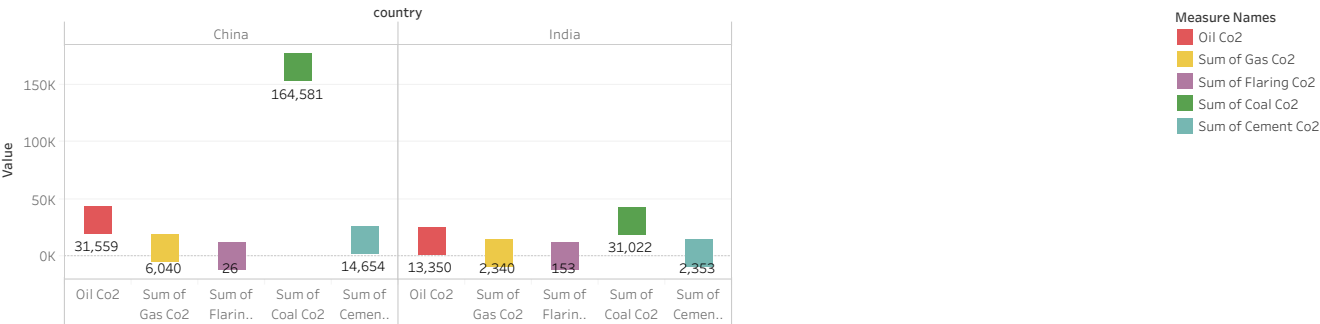

Story 1

C.	Continents contribution due to G..	Continents contribution due to fl..	Continents contribution due to O..	co2 emission over past 10 years	Co2 emission India vs United states	overall contribution by India and China Co2 e..	Cummulative Co2 and Co2 per capita over y..	Co2 Emission in 2020
----	------------------------------------	-------------------------------------	------------------------------------	---------------------------------	-------------------------------------	---	---	----------------------

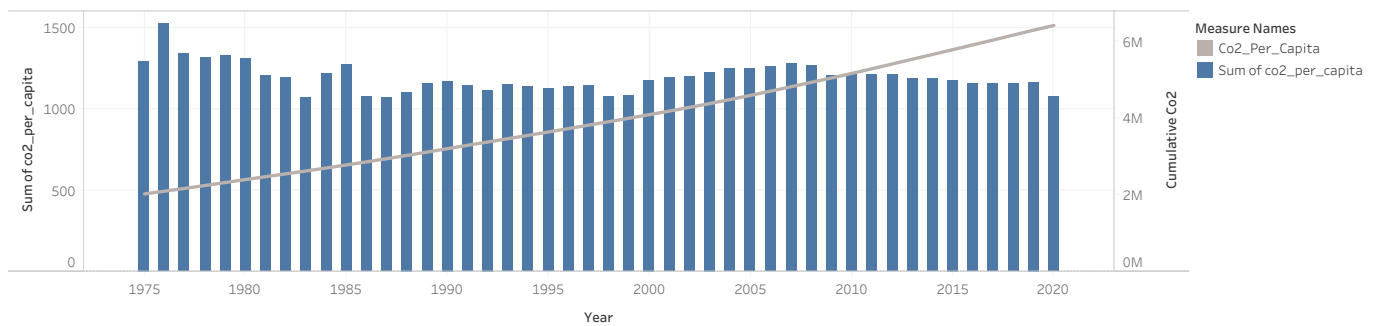

Story 1

C.	Continents contribution due to G..	Continents contribution due to fl..	Continents contribution due to O..	co2 emission over past 10 years	Co2 emission India vs United states	overall contribution by India and China Co2 e..	Cummulative Co2 and Co2 per capita over y..	Co2 Emission in 2020
----	---------------------------------------	--	---------------------------------------	------------------------------------	--	--	--	----------------------

Story 1

C.	Continents contribution due to G..	Continents contribution due to fl..	Continents contribution due to O..	co2 emission over past 10 years	Co2 emission India vs United states	overall contribution by India and China Co2 e..	Cummulative Co2 and Co2 per capita over y..	Co2 Emission in 2020
----	---------------------------------------	--	---------------------------------------	------------------------------------	--	--	--	----------------------

Story 1

C.	Continents contribution due to G..	Continents contribution due to fl..	Continents contribution due to O..	co2 emission over past 10 years	Co2 emission India vs United states	overall contribution by India and China Co2 e..	Cummulative Co2 and Co2 per capita over y..	Co2 Emission in 2020
